# HALAL GELATIN CAPSULES

## ABOUT US

Medi - Caps Limited a flagship company of Medi - Caps Group, where a philosophy of growth has been consistently upheld with good business practice. Our professional goals and corporate personality have blended so well that today we have become synonymous with the best in industry.

## ABOUT HALAL

### HALAL is a very sensitive issue.

For the Muslims community, availability of HALAL GELATIN is a very sensitive issue as there are very less suppliers of genuine Halal quality products.

Medi-Caps Limited is one of the proud manufacturer of hard shells made of halal gelatin in various sizes 00, 0, 1,2,3,4 and 1 elongated.

To ensure the consumption of genuinely Halal quality product Medi-Caps gets the halal gelatin from Halagel which distributes the best quality of edible and pharmaceutical grade gelatin from bovine sources that meets the highest international standards and specifications.

It also strictly adheres to the Islamic procedures of handling and processing techniques in the production of Halal gelatin which has been certified by the Islamic Development Department of Malaysia (JAKIM).

# HALAL GELATIN CAPSULES

## APPLICATION

Our Halal 2-piece Empty Hard Gelatin Capsules are manufactured to stringent specifications and are suitable for pharmaceutical, herbal, nutraceutical, agricultural as well as cosmetic industry.

Our Halal 2-piece Empty Hard Gelatin Capsules can be filled with active substances in form of granules, powders, pallet and liquids.

## CERTIFICATIONS

- Certified HALAL by JAKIM (Jabatan Kemajuan Islam Malaysia).
- Granted Pioneer Status from Malaysian Islamic Development Authority.
- Completed facility and equipment commissioning.

These certifications have been given to us by the concerned authority after their successful visit and audit at our premises.
